January 2010

Dear NSIA Members,

In conjunction with the NSIA Annual Meeting held each spring, members and friends of NSIA are honoured for life achievements, dedication, and outstanding contribution to agriculture in Nova Scotia.

The Honours & Awards Committee issues a Call for Nominations for these awards in January/February preceding the Annual Meeting.

Deserving nominees are sought for the following awards:

Distinguished Agrologist Award
Distinguished Life Member Award
Honorary Member Award
Outstanding Farmer Award
Outstanding Young Agrologist Award

In addition to the NSIA Awards, the Douglas family has requested NSIA to facilitate and administer the presentation of the C.A. Douglas Award. Information on the C.A. Douglas Award as well as an application form are included on this link. If you are aware of an individual who may qualify for the C.A. Douglas Award either fill out an NSIA Nomination Form for them or encourage them to complete the C.A. Douglas Application Form and forward it to NSIA.

For all awards except for the Distinguished Life Member Award only one award may be made in any year. The Distinguished Life Member Award may be awarded to no more than three persons in any one year.

Deadline for submissions is February 28th, 2010.

The presentation of awards is made at the awards dinner following the Annual Meeting.

Please feel free to contact me with any questions or comments at 902-468-2840 or via email at jnorrie@acadian.ca

Regards,

Jeff Norrie, Ph.D., P.Ag., CPH Chair, Honours & Awards Committee
